## KEYWORDS

COVID-19; cybersecurity; challenges and disruption; data protection; privacy; health data

*This is a peer-review report submitted for the paper "COVID-19 and Cybersecurity: Finally, an Opportunity to Disrupt?"*

## Round 1 Review:

### Minor Comments

Dear Authors, the article [1] is well written; however, in my opinion, there is a need to rephrase the *Conclusion* section in order to make it more clearly informative.
