This is a peer-review report submitted for the paper "Risk Factors of SARS-CoV-2 Infection: Global Epidemiological Study".

planning to update this manuscript to represent the most recent data? Or alternatively, it may be a good idea to look into the most recent picture and compare it with the findings of the present manuscript.

Round 1 Review

Thank you for your submission [1]. I don't have any suggestions except that a lot has changed since late winter 2020; are you
